

COMPANY PROFILE

Studio 4e is an architecture and design studio founded by Fabio Costanzo and Maria Rosaria Piazza, with headquarters in Palermo, Italy. The company deals with public and private architectural design, residential, office and retail, renovation and interior design.

Architectural planning, restructuring and internal design stand at the center of their activity, which also includes exhibition displays, industrial design projects, and landscape design.

Our principles are attention to design and technological research attuned to new linguistic forms and experimental planning.

The studio vision is based on research that aims at a close synthesis between aesthetic and functional values, finalized for creating a unique plan according to the client's needs and expectations.

Over the years, the studio has focused its attention on an approach that is extremely sensitive to environmental sustainability, local construction traditions and an expert use of both natural and man-made materials, experimenting on different levels of technological innovation.

OUR APPROACH

FROM CONCEPT TO PROJECT

During the design process, our practice gives priority to human relationships focusing on common goals, environmental sustainability, attention to details and technological research.

COST ANALYSIS

Our project options are always followed by a careful cost analysis in order to be able to respect our client's budgets.

SPECIALIZED ADVICE

The office provides advice on feasibility studies and public or community funding to help you make your investments more efficient.

FAITHFUL ARTISANS

Thanks to our long experience in the field we've been able to select a high-level range of artisans capable to carry out our executive projects, reaching excellent standards.

RELIABLE SUPPLIER

Our expertise in the market of interior design and the strong relationship that we sewed during the years with some of the most important furniture's suppliers, allows us to help the clients to get the most high-quality products at a very competitive price.
